Diana:

My Branch Chief Mark Peycke just informed me that I should forward you the attached FOIA Request from Attorney Eve Barron of Chevron Oil so that this can be acted upon by you.

Please let me know if you have any questions about this procedure.

I did forward the FOIA Web-Link to the requestor as you recommended.

Hi Marvin:

Thank you for the additional time to submit a response to the Information Request. So that we may provide a meaningful response, I would like to request a copy of nexus documents that connect Producers Oil to the site that are subject to public disclosure. To the extent that it is necessary, please consider this a request pursuant to FOIA.

Regards,

Eve
